GIG International School, Singapore
E-Newsletter

Dear Parents,

I am thrilled to share an exciting update on the remarkable progress your children have made at GIG International School. At the heart of our educational ethos lies the unwavering commitment to inclusive learning. We firmly believe that every student should be actively included in all aspects of their educational journey, ensuring that their voices are heard, respected, and valued.

In our classrooms, we foster an inclusive environment where students from diverse backgrounds collaborate, exchange ideas, and engage in meaningful discussions. Through various activities, both academic and extracurricular, we encourage students to embrace diversity, appreciate different perspectives, and develop empathy and understanding towards one another.

Our "no child left behind" concept serves as the foundation of our approach. To ensure equitable opportunities for all, we have implemented a policy where preliminary rounds for various activities are made compulsory. This not only promotes healthy competition but also ensures that every student has the chance to

participate, discover their talents, and shine. We firmly believe that each child possesses unique abilities and potential, and it is our responsibility to nurture and unleash them.

We take great pride in the progress your children have achieved thus far. Their growth, both academically and personally, is a testament to their hard work, dedication, and the collaborative efforts of our exceptional educators. We are committed to providing a supportive, stimulating, and inclusive learning environment that fosters holistic development, encourages critical thinking, and nurtures a love for lifelong learning.

As partners in your child's education, we value your support and collaboration. Together, let us continue to foster a community that celebrates the achievements of every student, cherishes their individuality, and prepares them for the challenges and opportunities that lie ahead.

With warm regards,
Ms Sathiyamoorthy Parameshwari
Vice Principal
