GIG International School, Singapore  
E-Newsletter

December to March

Dear Students, Parents, and Staff of GIG International,

As we come to the end of another academic year at GIG International, I would like to take a moment to reflect on the achievements and successes of our school community.

Over the past year, we have continued to uphold our commitment to providing an inclusive learning environment that values academic excellence, character development, and global citizenship. Despite the challenges presented by the pandemic, our students, teachers, and staff have demonstrated resilience, adaptability, and creativity in adapting to the new normal of remote and hybrid learning.

Throughout the year, we have continued to employ a hands-on, inquiry-based approach to learning that encourages students to think critically, collaborate with others, and develop essential skills such as problem-solving and creativity. Our teachers have continued to facilitate learning experiences that promote curiosity and independence, and our students have remained actively engaged in their learning journey.

We have also continued to emphasize the importance of inclusivity, diversity, and cultural competency in our school community. Through various initiatives such as cultural fairs, diversity training, and community service projects, we have fostered a sense of belonging and respect for all members of our school community.

As we look back on the past year, we can be proud of the progress we have made in achieving our goals and objectives. Our students have excelled academically, socially, and emotionally, and have demonstrated the knowledge, skills, and character to succeed in the next phase of their education.

I would like to take this opportunity to express my gratitude to our students, parents, and staff for their unwavering commitment to our school community. Your support, dedication, and hard work have contributed to the success of our school, and we could not have achieved our goals without you.

As we prepare to say goodbye to our graduating students and welcome new members to our school community, I am excited and optimistic about the future of GIG International. With our continued commitment to providing an exceptional education that prepares our students for success in the 21st century, I am confident that our school will continue to thrive and make a positive impact on the world.

Thank you again for a wonderful academic year, and I look forward to another year of growth, learning, and success.

Sincerely,  
Ms Sathiyamoorthy Parameshwari

## ICAS – EFFICIENT LEARNING THROUGH TECHNOLOGY

ICAS Digital Technologies Assessments are designed to provide an objective ranking of students' performance based on the curricula for the relevant year. It provides complete understanding of use of technology, online safety, makes our learning more efficient and is essentially a prerequisite for living our lives in this day and age. On February 9<sup>th</sup> 2023, Surya Kartik who has achieved outstanding results in the exam and won a medal.

## GOALS PROJECT!

We have announced and kickstarted the Goals Project on February 2023. Through this initiative, we have supported students in taking action for the people and the planet through the Sustainable Development Goals.

# ACTIVITIES & EVENTS

## Roadmap

Starting their educational journey on the right foot! These 5B students have mapped out their academic year and beyond, identifying challenges they may face and coming up with innovative solutions to ensure access to education for all, even in areas with limited resources. Now that's what we call determination and a commitment to success!

## Global Goals

1B learners are setting an example for us all with their passion for sustainability and global change! Through their creativity and teamwork, they formed groups and designed posters to showcase their connection to the global goals for sustainable development. We're proud to see the next generation taking action towards a better future, one step at a time!

# ACTIVITIES & EVENTS

## Soapberries

Who knew that soapberries could be the answer to our laundry problems? As part of our school's sustainability project, our young scientists from 2B discovered the power of nature's soap by creating their very own DIY Homemade detergent using washing soda, Castile liquid soap, baking soda, and the secret ingredient - Soapberries! Not only is this an eco-friendly alternative to traditional laundry detergents, but it's also hypoallergenic and perfect for sensitive skin. Let's take a step towards a cleaner and greener future by reducing the use of harmful chemicals and plastic waste.

## Water Conservation

Small actions can make a big difference, and our Class 8 Tamil students are leading the way in sustainability! They created an inspiring project on Water Conservation, using their artistic skills to showcase the importance of rainwater conservation and recycling water for the needs of plants and other living organisms. We're proud to see our students taking an active role in preserving our planet and making a positive impact on our environment.

## Goals Project Live Stream on twitter

We did it! The GIG Goals project has come to an end with a bang, and we couldn't be prouder of what we've achieved together. Over the past few months, we've been working hard to educate and inspire students about the importance of sustainable development goals. And now, we're thrilled to announce that we wrapped up the project with a fantastic livestream event on Twitter!

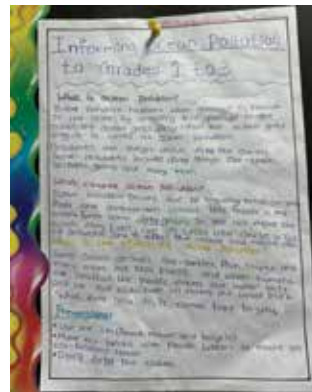

We're so grateful to all the amazing students who participated in this project and helped spread awareness about sustainable development. Thanks to your efforts, we're one step closer to achieving a better tomorrow for all.

But our work doesn't end here. We hope this project has motivated and inspired students to continue spreading the word about sustainable development and inspiring their peers and juniors for generations to come. Together, let's keep working towards a brighter future, one sustainable goal at a time.

# ACTIVITIES & EVENTS

## Ocean Pollution

Let's give a round of applause to our amazing Class 5A students! They took on the challenge of educating their peers about ocean pollution and the actions we can take to make a difference. With each student taking on a different role, they worked together to raise awareness about this critical issue and inspire others to take action! We're so proud of their dedication and commitment to making our world a better place!

## SDG book

Education is the foundation of a better future, and our primary classes are taking the first step towards a brighter tomorrow! Thanks to the hard work of our very own Manasvi Patil from Class 7A, our students now have a simple yet engaging book and activities to learn about SDG 4 - Quality Education. This project is an excellent example of how we can make a big impact with even the smallest of actions. We're so proud of Manasvi and all our students for their commitment to learning and making a positive difference in the world!

## GIGIS ANNUAL SPORTS DAY 2023 – RESILIENCE, RIGOUR & RESPECT!

# ACTIVITIES & EVENTS

GIG International School held its Annual Sports on February 10<sup>th</sup> 2023 at the Queenstown Stadium. The theme of the event was Resilience, Rigour and Respect. A great zeal and a sense of commitment that was witnessed during the event.

The event began at 7:00 a.m. Our esteemed Chief Guest was Ms. Sarojini Padmanathan. The students represented their respective houses. They were in their motivated best during the walk past after the iconic Torch Run led by our student councillors. After that moment, it was sports galore!

Students who were previously selected through elimination rounds held for Class 1-9 ran the 50m, 80m and 100m dash. Spectators were also greeted with excellent Taekwondo and Dance performances by students which left the audiences spellbound. Eventually, the students' race concluded with the 4x100m relay, which had a nail-biting finish. The parents too actively participated in a 100m race organised especially for them. They displayed true sportsmanship and guidance to their young ones to follow. The Sports Day Finale Dance was performed by nearly 300 students who were perfectly in sync with each other with beaming smiles.

The event was concluded with the prize distribution ceremony. The champions of Sapphire House won 3 Champion trophies leading their House to the Best House of The Year.

Congratulations to all medal winners in the ECA category, track races and tele match. Our constant endeavour is to be the best version of ourselves.

## UNGA ASSEMBLY – SUSTAINABLE DEVELOPMENT GOALS

The students of Class 2A presented an assembly on February 17<sup>th</sup> 2023 based on the theme - Sustainable Development Goals. The aim of the event was to create awareness about the United Nations General Assembly's (UNGA) initiative promoting the 17 Sustainable Development Goals among primary students. The students posed as reporters, presented a panel discussion sharing their views and opinions about most of the global goals under focus followed by a group dance in the concluding half of the event. The panel discussion broadly focused on the key objectives – Economic Growth, Social Progress and Environmental Protection as a part of sustainable development. A meticulously well-coordinated event and successful event. Our heartiest congratulations to the Class 2 learners!

# ACTIVITIES & EVENTS

## STARRY NIGHT

Our Class 5 learners were on cloud nine on February 24<sup>th</sup> 2023, as they explored Vincent Van Gogh's artistic masterpiece Starry Night! They were over the moon with excitement as they learned about the whirling clouds, shining stars and bright crescent moon that make up the night sky in the painting. Our learners had a "wow" moment as they discovered the magic behind art.

## WWF EXPERT TALK – BIODIVERSITY CONSERVATION

The students of GIG International School represented our school informative talk on Biodiversity Conservation conducted by WWF (Singapore) on March 2nd 2023. They were deeply moved by the speaker's passion for the topic and the urgent need for action to protect endangered species and to preserve our nature.

The talk highlighted the devastating effects of human activities such as deforestation, poaching and the illegal wildlife trade on animal populations. They explained how these actions have caused many species to become endangered and some even to the brink of extinction.

The students attained a new perspective as they learnt about precautionary measures to save species like Black Rhinoceros and African Elephants from total extinction. The importance of conservation efforts encouraged the audience to take action in their daily lives to help protect these animals.

The speaker also discussed the importance of education and awareness in animal conservation efforts. It was explained that through teaching the importance of animals, we can help shift attitudes and behaviours towards conservation efforts.

## RADIO JOCKEY HUNT

"Good Afternoon! Vannakam! Bon Jour! Ni Hao! Namaskar!" - Greetings poured in the captivating RJ Style of compering

At our school auditorium as students across Class 1-9 vied for the coveted title of being GIG RJ – 2022-23.

This year's theme was based on UN Sustainable Goal No 6- Clean Water and Sanitation. The hunt for our very own RJ commenced in January 2023, and we received an overwhelming response, and it was especially heartening to see our Class 1 students participate with equal zeal and enthusiasm as did our other classes.

The students took on the platform and opportunity provided by the school to hone their public speaking skills and poured in their videos which were visually presented using PPTs, Charts and animations.

Due to the wonderful response we had this year we bifurcated the classes into 2 categories and had 2 winners- one selected from amongst the finalists of Class 1-4 and one student selected amongst the Class 5-9 finalists. To judge our finalists, we were honoured to have our very own teachers, Ms Lavanya and Ms Swamini, who are UOI teachers, who were the experts to critically judge each contestant based on a rubric that was earlier shared when we announced the competition.

The videos of the finalists were showcased across the school so that students got an understanding of what it takes to do the role of being an RJ and would be better equipped to participate next year. Aditi Praveen of Class 3C bagged the title of GIG'S RJ 2022-23 in the Class1-4 category, and Yuvraj Chetan Chavan of Class 6B bagged the title of GIG's RJ 2022-23 in Class 5-9 category. Heartiest congratulations to our winners!

## MARCH FIELD TRIPS

### Botanic Gardens

We are thrilled to announce that our class 1 students recently had an amazing school visit and picnic at the stunning National Orchid Garden in Singapore Botanic Gardens! Our students had the opportunity to explore the breathtaking gardens and learn about the beauty and importance of orchids and other flora. They spent a fun and educational day surrounded by the lush greenery of the Palm Valley. Check out some amazing pictures and memories from our unforgettable school trip!

### NEWater Visitor Centre

Our Class 2-5 students recently went on an exciting tour at the NEWater Visitor Centre, where they learned about the amazing technology and innovation behind Singapore's water sustainability efforts. Through interactive exhibits and educational presentations, our students discovered how NEWater, Singapore's brand of recycled water, is produced and used for various purposes. It was an enriching and eye-opening experience for our students, who gained a deeper understanding of the importance of conserving water and protecting our environment. Stay tuned for more updates on our students' sustainability projects and initiatives!

## Singapore Art Museum

We are thrilled to share with you the amazing experience our class 6 students had during their visit to the Singapore Art Museum's Learning Gallery! Our students explored the exhibitions and learned about different art forms and techniques showcased at the museum. They were inspired by the creativity and imagination behind each piece of artwork. We are excited to see the amazing artwork our talented students will create after this unforgettable. They explored the galleries and discovered the rich history and culture of Southeast Asian art. From paintings to sculptures, our students were amazed by the variety of artwork on display. We can't wait to see what they create after being inspired by their visit to the National Gallery.

## Singapore Airforce Museum

We are excited to announce that our classes 7-9 had an amazing time at the Air Force Museum! Our students had the chance to explore the fascinating outdoor and indoor galleries featuring static displays of past aircrafts and interactive exhibits showcasing the incredible journey of the Republic of Singapore Air Force (RSAF). They also got to watch a thrilling 7-minute video at the Theatrette, taking them on a journey through the RSAF's history and achievements. Thank you to the Air Force Museum for welcoming us and giving our students an unforgettable experience!
