THE QUALIFICATION

Recognised everywhere that matters.

GIG's Cambridge International AS & A Levels are accepted by every UK university and over 50 US institutions. Our students are preparing - right now, on Selegie Road - for universities like Oxford, Cambridge, Harvard, MIT, Stanford, and Yale.

THE GIG ADVANTAGE

Three things that make the difference.

ATTENTION

Small classes. Real support.

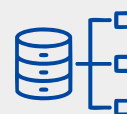

Every student is seen and heard - never lost in a crowd.

DEPTH

5 subjects. True expertise.

Focused mastery in the fields that shape each student's future.

Guided every step of the way.

At GIG's recent Cambridge International AS & A Level Open Houses, families joined sessions with IDP Education - covering overseas university selection, IELTS preparation, and application strategy. Speakers from international universities have also visited GIG to give students and parents a real picture of studying abroad. This guidance is built into the GIG experience as standard, not offered as a one-off event.

Everything a Cambridge student needs.
